Dogs ..... Calm

**Age:** 1 year

(2/14/25)

**Breed:** Domestic

Shorthair

**Gender:** Female

**Color:** Black & White

Precious doesn't have a mean bone in her body, but she does have quite a few shy bones!

This sweet girl will happily jump right into your hands for pets, but when things feel new or uncertain, she can lose a little confidence.

Precious is an anxious little girl who thrives with routine, quiet time, and lots and lots of love. With patience and a safe space to be herself, she has so much love to give.
